class daily that specifically focuses on helping students prepare for the area of their choice and help them realize their true potential. As one of the pioneers in legal education, the institute also prepares its students to become judges aside from normal law programs.

When asked about the unique learning opportunities offered by the institute to make its students indus-

try-ready, Prof (DR.) S.C Sharma, Director, St. Soldier Law College states “We do feel that in the present day, higher education cannot be successful unless it prepares the students for the challenges that they will face in the industry. We have made deliberate efforts through tie-ups and leverage our connections across multiple industry verticals to help our students gain valuable industry knowledge. We also have guest faculty from the industry including multiple high court judges, sessions judges, senior advocates, and others who hold positions in the management side. Through this, we aspire to ensure constant industry exposure to our students”. Aside from this, St. Soldier Law College gives major emphasis on industry internships and its students do their internships after each semester examination.

Helping Students to Succeed in Their Lives

Providing best-in-class legal education to students who come from the lower strata of the society including those who come from rural areas and help them be successful in their lives is one of the important goals for St. Soldier Law College and to ensure this, the institute offers plethora of scholarship opportunities to its students. Adding more about it, Prof (DR.) S.C Sharma says “Even with limited resources, we are able to produce impressive results consistently and by doing so, we are able to help those who are in need. We consider our students as valuable assets and they have limitless potential. To help them reach their career aspirations without having to worry about the financial aspect of higher education, we offer myriad of scholarship opportunities to them. For students who are from SC/ST community, no fees will be charged for their education. Aside from this, we also offer meritorious scholarships to our students and many of our students are even ranked amongst the best in the university. The management also funds scholarships for students who come from financially

challenging backgrounds”. Apart from this, the institute also provides free transportation facilities for students who even reside far away.
